**Consultation of traffic order for Laurel Close, Lichfield, Staffordshire**  
**Proposed waiting restrictions**

Dear Sir/Madam,

Following the request from County Councillor, Janet Eagland, we have agreed to investigate the possibility of providing a no waiting timed restriction on the above road that will prevent inappropriate parking for the nearby hospital.

As part of this scheme it is proposed that no waiting restriction for seven days from 8am to 8pm is to be installed along Laurel Close. It will be necessary to provide two parking restriction signs and associated single yellow lines in order for the restriction to be enforced. Please see the plan attached for more details.

Your support is required in relation to the proposed waiting restrictions therefore can you please complete and return the attached form within 21 days of the date of this letter. Given the many similar situations throughout the County it is unlikely, once any changes are introduced, that the issues will be revisited for some considerable time.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,

Niki Tsialkatoura
